"Estoy informado que en caso de existir discrepancia entre las cantidades declaradas en este listado y lo físico cuantificado por las autoridades de aduana en destino, Port to Port cobrará un recargo adicional de $150 por gastos administrativos."

I confirm that the above information is correct and exact. I also confirm that the content of merchandise shipped does not include any hazardous material. US Department of Transportation (DOT) regulations prohibit shippers from placing hazardous material (dangerous goods) inside vehicles that are going to be shipped overseas. Items such as ammunitions, firearms, oil-based paints, batteries, all explosive and flammable materials, are prohibited by Transportation Security Administration (TSA) rules. Customs and Border Patrol be inspecting each vehicle, and if any of the above mentioned items are found inside a vehicle, the vehicle's owner will be subject to fines and / or incarceration. In addition, the vehicle will not be shipped and all freight costs will be retained by Port to Port Int.
